My Ride-A-Thon

My name is _____ and I'm organizing a ride-a-thon to raise money to attend the TN FCA MX camp (see left).

Here's how it works... Others like me are competing to collect donations for scholarships.
All donations must be collected before ride day.
All funds collected will be divided equally among scholarship candidates.
And, the particpant with the largest total donations wins a full camp scholarship!
Anyone may participate. There will be seven classes split into two one-hour motos.
The seven classes are: 50, 65, 85, pit bikes, mx lites, mx, and senior.
My Ride-A-Thon begins at _____ o'clock on ___ / ___ /2011 at _____ MX.
Gates open at _____ . You're invited to join us on ride day!

Please make checks payable to TN FCA MX only (please do not write the candidates name on the memo line).
