ZIPLOCK BAG PROJECT

This year we are going to try something new and more organized. We would like each team member to bring two ziplock bags with the following items listed below. You can ask others to make them and donate them or you may simply make them. This is a great way for you to allow others to donate who ask what you need or if you are collecting anything. Please make **TWO Ziplock Bags; one for a girl and one for a boy.** All items must be new. These will be given out during the bunk bed project.

- 1) Comb or brush
- 2) Soap—bar
- 3) Toothbrush
- 4) Toothpaste
- 5) Washcloth
- 6) Miniature Toy (1-2 per bag)
